# Eight Announce Candidacies For Hancock County Posts As August Primary Fever Arrives

Fred Garner - Sheriff

Welton Ladner - Sheriff

Politics and politicians arrived in full force on the scene this week as eight local hats flew into the ring and on the state level announcements were made for the Governor's and Auditor's posts.

J. P. Coleman made his official announcement he'd run for Governor and for Auditor. E. B. Boyd Golding entered the race.

Locally, I. M. (Ike) Frierson, Welton Ladner and Fred C. Garner announced their candidacies for the Sheriff's office now occupied by John A. Egloff. Egloff, in turn, announced he'd run for Supervisor of Beat Five. Pat Garcia of the Bay St. Louis police force entered the Constables race for Beat Five, as did Herman J. Mazarakis. T. Jeff Whitfield will seek the spot as Hancock's representative to the state legislature. Nolan Ladner is running for Justice of the Peace in Beat Five.

Ike Frierson, who was in the sheriff's race in the last election, was born and reared in the Aaron Academy precinct. He has held positions as WPA supervisor for the county, a member of the county democratic executive committee, a director and secretary-treasurer of the Gulf Coast Electric Power Association.

"All these were heavy tasks and gave me experience in the administration of business affairs, as well as close contact with all the people of Hancock County," his announcement said. "I have been deeply interested and identified with all public affairs and the advancement thereof, such as good road systems, good school systems and the advancement and developing and utilizing the resources that we have."

Fred C. Garner has been a resident of the Bay for 20 years and has been a builder, painter, contractor, decorator and farmer in that time.

"I am and always will be an independent," he said. "I owe no loyalty to anyone, except to the people of Hancock County, who elect me. I seek everyone's support on an equal basis, with the understanding that I will play no favorites if I am elected to this very responsible office."

Welton Ladner, 40 year old native of Hancock and a graduate of Perkinson Junior College, has served as Constable of Beat Four and was a deputy sheriff.

His announcement pointed out he intended to "appoint deputies in various parts of the county so that an officer will be available to everyone at all times; and endeavor to employ a trained man to visit each school in the county at least once each school month to teach safety and reduce juvenile delinquency."

John A. Egloff has served two terms as sheriff of the county and was born, reared and educated here.

His platform stated he supports plans for good roads, up-to-date schools with equal facilities for both races and a modern hospital.

"I will see that the taxpayers receive value for every dollar spent," he stated.

T. Jeff Whitfield, also a lifelong resident of the county, said in his announcement as candi-

date for representative "the main purpose which made me decide to run for representative again was a great desire to give you, the people of our county, good representation for your taxation."

One of the main points in Pat Garcia's announcement was his statement: "If I am entrusted with this important office (of constable) I will make it my duty to see that no minors are allowed in any place which sells intoxicating beverages. . . I will not tolerate any skin games in Beat Five."

Herman J. Mazarakis, in seeking the constable's place said he would "be fair in my dealings with all people. There will be no partiality and I am free to enforce the law as prescribed by statutes, and I will not nor will I place myself under any obligation to anyone."

Nolan Ladner, son of the late Judge and Mrs. Alcide Ladner, told voters he was an independent candidate.

"I will do all in my power to combat juvenile delinquency and anything that would threaten the welfare of our community," he said. "In my connection as a sports official I have had considerable experience working with youth."

## Cake Sale Saturday

Final plans for the annual Easter Cake Sale on Saturday, April 9 were made at a joint meeting of the Altar Society and St. Margaret's Daughters of the Holy Family of the Gulf Catholic Church, held on March 31 at the parish Girl Scout house.

Mrs. Mildred Blaize, chairman, said that booths will be placed at Jitney Jungle, C & S stores and Kern's 5 and 10c cakes also being taken.

Medical help and food for five families was reported during the month of March.

Members were urged to attend the deanery meeting of N. C. C. W. to be held here on April 13. Mrs. Bernice Fay also reported on the last deanery meeting she attended in Gulfport.

Mrs. Alden Mauffray and Mrs. V. J. Piazza presided alternately at the meeting.

## Herbert Honecker Dies In Florida

Herbert John Honecker, a former resident of Bay St. Louis, died on March 26 in St. Petersburg, Fla.

Mr. Honecker resided in the Bay until his retirement from the Federal Trade Commission in New Orleans. He later accepted a position as secretary and general counselor for Sykes Manufacturing Company in St. Petersburg.

He was a native of Erie, Pa. Besides his widow, Mr. Honecker is survived by three sons: Herbert J. Honecker, Jr., of Silver Springs, Md.; John Fairchild Honecker and Loren Ripley Honecker of St. Petersburg, his mother, Mrs. Lydia Woerner and a sister, Mrs. Fred W. Smith of New Port Richey, Fla.

## New Voting Is Assigned To Waveland

The residents of the town north and adjacent to the town of Waveland have, at long last, secured a voting precinct of their own.

The new precinct, which made possible through an action of the Board of Supervisors Monday, had been named Arlington precinct.

Several interested parties attended the Board meeting Monday and petitioned the members to place on the minutes whereby they have a separate voting precinct rather than have to vote in Waveland since they are in the city limits of Waveland.

There was some discussion to the legality of the change. A statute on the law books is that a precinct may be changed within six months of an election.

The main points which caused some controversy was when an election meant a Primary and General Election.

Board Attorney, Ludwig said, "It is my opinion that the statute says an election since the primary election is fixed by the law, then it should be interpreted as the primary election."

"It is now," he said, "the press that our sister city of Harrison has made some changes in its charters indicating that they position that the State General Election."

He continued, "The Supreme Court decision in the State of Texas, then it is purely a matter of fact as to whether or not that means a General Election."

"In any event," he said, "the voters could make a change."

## FEDERAL TAX AGENTS RAID FOUR PLACES FOR MOONSHINE WHISKEY

The Alcohol Tax Unit of the Federal Bureau of Internal Revenue staged a series of raids in Hancock County last week.

Leads by Special Investigator T. J. Lee of the Gulfport office, the agents first raided the establishment known as Eddie's place and owned by Eddie Poyadou. They seized a 1/2 gallon of bootleg whiskey and also confiscated part of a case of tax paid whiskey.

The next stop on the route was next door from Eddie's Place, at 624 Main Street, in the residence of Charles Ladner, where the agents seized 35 gallons of moonshine.

After a couple of days break the Feds were back again. This time two back-of-town bars were hit.

At the Frank Lewis Inn the agents found three gallons of moonshine.

The last place where the agents raided was the Crack Bar, 301 Sycamore St., owned by Eloyd Mobley. One and a quarter gallons of the bootleg whiskey was seized here.

It was reported that the men who were caught with the moonshine in their possession have been released on bond.

Special Investigator Hart was accompanied by Agent J. L. Shanley and Robert E. Lee, both of the Gulfport branch of the Alcohol Tax Unit.

## County Election For Conservation Commissioners

The State Soil Conservation Committee has authorized an election for the Hancock County Soil Conservation District on Saturday, May 7th to elect from nominees three Soil Conservation District Commissioners.

The three whose terms have expired are eligible to succeed themselves or an entirely new group can be elected.

Those nominating petitions for use in submitting the names of prospective commissioners are available at the County Agent's Office and each person who gets a nominating petition must have a nominating petition, signed for him by at least twenty-five owners of land in Hancock County. A land owner may sign as many nominating petitions as he desires, however, he will only be permitted to vote for three commissioners. The three men receiving the highest as a whole will be declared elected. All nominating petitions must be filled out and returned to the County Agent's Office by Monday, April 25th, at which time they will be sent to the State Office where the ballots will be made up and returned in time for the election on Saturday, May 7th.

The hours for voting will be from 9:00 a. m. to 2:00 p. m. in the following places: Lakeshore School, Kiln School, Aaron Academy School, Lettown School and Sellers School.

Commissioners whose terms have expired are Mr. Adolph Keller, Rt. 1, Picayune; Sylvester Moran, Kiln; and Frank Shaw, Rt. 2, Perkinson.

## Collection Saturday

Notice is hereby given that garbage collection which is normally made every Friday will be made on Saturday of this week only, due to the observance of Good Friday.

## Deanery Meet

An important meeting of the Gulf Coast Deanery Council of Catholic Women will be held in Bay St. Louis at the parish Girl Scout house of Our Lady of the Gulf Church on Wednesday, April 13, at 3 p. m.

## PROCLAMATION

Realizing the solemnity of the Memorial Day of Good Friday and that the Christian World bows in sorrow and sympathy, commemorating the World's Greatest Tragedy, and that it is but meet and proper that our people, too, set aside their everyday activities as far as possible and practicable with their every day life and pursuit, to do honor and to further glorify the Resurrection of One who was sacrificed and suffered the expiation of sins of Mankind.

That, in order to pay tribute to the Holy Redeemer, I, as Mayor of the City of Bay St. Louis, do hereby proclaim Good Friday, April 8, 1955, as a DAY OF HOLY AND GENERAL OBSERVANCE; that our acts and attitude be such as to do reverence to the day.

AND, AS A FURTHER attestation of our feeling of respect and sorrow, and as an outward mark, I would respectfully ask that every place of business in the City of Bay St. Louis close their doors and cease business on this day to commemorate the hours of agony of Our Lord suffered on the cross.

Done this 4th day of April, 1955, at the City Hall, Bay St. Louis, Miss.

JOHN A. SCAFFIDE, Mayor

ATTEST: J. CYRIL GLOVER, CLERK; HERMAN J. LADNER, JR., Commissioners.

## WELTON LADNER CANDIDATE IN RACE FOR SHERIFF

To the People of Hancock County:

I wish to use this means of presenting to you my candidacy as sheriff and Tax Collector of Hancock County for consideration at the Democratic Primary on August 2, 1956 and in so doing to better acquaint myself, my qualifications, and my platform to you.

I, like my mother and father, was born in Hancock County, educated in its public school and Perkinson Jr. College and have resided in Hancock County all my life. I served as Constable of Beat Four and Deputy Sheriff for approximately 7 years. I am 40 years old, married and the father of five (5) children ranging in age from 6 to 18. I am a veteran of World War II, having served most of my time overseas.

I believe the Sheriff and Tax Collectors office to be the most important office in which every one has business at least once each year, and in which all tax money is collected and disbursed. I am not unaware of the many duties and responsibilities

which confront your sheriff and tax collector. I shall try at all times to inaugurate policies and methods to speed the expediting of the many functions and duties of the office. Every man in the race will make you a good sheriff but I hope to be the one you will cast your vote for. I propose to carry out the following functions as your sheriff.

(1) To make up each receipt in 4 copies as soon as possible after we receive the tax roll, and mail one copy of the tax receipt to each taxpayer to be returned, or the number thereon, at the time of paying taxes so standing in line for a long period of time will not be necessary.

(2) To keep your Sheriff's office open from 8 a. m. to 5 p. m., including the lunch hour each week day for convenience of the people working in town and having business in the Sheriff's office. And during Nov., Dec., and Jan. all day Saturday for the convenience of those people living or working out of town who has business with the sheriff's office.

(3) I shall endeavor to employ a trained man to visit each school in the county at least once each school month to teach safety and reduce juvenile delinquency.

(4) I shall set up sub-stations in the county for the purpose of selling automobile license plates during the month of Oct.

(5) I propose to see that every place of entertainment in

## JOHN A. EGLOFF ANNOUNCES FOR SUPERVISOR, BEAT 5

TO THE CITIZENS OF BEAT 5:

I take this means of submitting to you my candidacy for Supervisor of Beat 5.

Having been solicited by many voters and tax-payers I decided to become a Candidate to represent Beat No. 5 as a member of the Board of Supervisors subject to the Democratic primary Election to be held August 2, 1956.

Born, reared and educated in Hancock County. In my early school days I attended the public schools, later attended St. Stanislaus where I was graduated.

The county is policed by an efficient law enforcement officer. (6) To appoint Deputies in various parts of the county so that an officer will be available to everyone at all times.

(7) I shall endeavor to perform the duties invested in me by the laws of the state with justice to all and malice to none. (8) I shall at all times serve you as sheriff and tax collector in such a manner that you will never have cause to regret having voted for me.

I am not unmindful of the great task before me in contacting each and everyone of you personally which I shall strive to do. In the event I should fail to see you please accept this as means of soliciting your vote and influence.

Welton J. Ladner.

uated as a member of the class of 1928.

In 1951 the voters of Hancock County bestowed upon me the High Honor of Electing me their Sheriff and Tax Collector for the second time. This honor having been bestowed upon me the first time in 1943.

I am not going to make any promises that I will not keep.

I believe in good roads, up-to-date schools and a modern hospital.

Will hard surface or black top the roads just as the money is allotted to this Beat. If it is only a fraction of a mile at a time. I will not let the money lie in the county depository and use it during the election year.

Will work with the Superintendent of Education to better our schools with equal facilities to both races.

If elected I advocate the following:

Have the assessment Books approved sooner by the State Tax Commission so that the Sheriff can send statements to the taxpayers. Also enlarge the Sheriff's office for more counter space and divide the two assessment books into the five beats so more efficient service can be given.

Appoint a night operator for the two-way radio station who can also act as night jailer.

Invite the taxpayers as well as all Civic and Business Organizations to sit in with the Board of Supervisors to work out a plan to redistrict the County.

Will work to get some legislative act through to relieve the taxpayers on the personal tax of automobiles and trucks.

Will divide the work in different sections of the Beat and to people who need it.

Will repair the Seawall and Beach Road without any extra cost to the taxpayers as the Seawall fund receives enough money from the Gasoline tax to take care of this.

I will see that the tax payers receive value for every dollar spent.

It is my desire to see every voter in the Beat personally before the primary on August 2nd, and I shall endeavor to do so, but I am taking this means of asking each and every voter to give my candidacy his or her earnest and careful consideration.

Respectfully yours,  
John A. Egloff.

## IKE FRIERSON ENTERS RACE FOR HANCOCK SHERIFF

With deep appreciation for the numerous friends who voted for me four years ago for Sheriff, and for the great number that have come into the fold and solicited me again to enter the race for that office with the sincere hope, and belief that with the support I got four years ago, and the great number who have solicited me in addition, that I can win this year.

The majority of the citizens of Hancock County know something of my qualifications, but for the benefit of new acquaintances and the many people who have qualified as voters since the last campaign, I again modestly refer to my qualifications.

I was born and reared in Aaron Academy Precinct. I own property and have a family in the same community, and being a taxpayer, I well understand the responsibilities of being a good citizen, and the efforts to carry on progress and advancement of our County.

I began my career as a timber inspector and buyer for the Gulf States Creosoting Company. I had the responsibility of W. P. A. Supervisor for the County during the administration of that great plan on behalf of the laboring people.

half of the laboring people. I was on the Democratic Executive Committee in Hancock for a number of years; also, was a director and Secretary-Treasurer of the Gulf Coast Electric Power Association for a period of more than 10 years. All these were heavy tasks and gave me experience in the administration of business affairs, as well as close contact with all people of Hancock County, and during these years I have been deeply interested and identified with all public affairs and the advancement thereof, such as good road systems; good school systems, and the advancement of resources that we have, such as the timber business and the advancing agricultural progress of the County.

I shall appreciate the vote and influence of the good citizens of Hancock County and if elected your Sheriff, I promise to discharge all the duties connected with the office of Sheriff in a business way, as well as with high standards of honesty and integrity such as will promote the progress of the County and the best interest of every citizen therein.

Sincerely,  
I. M. (Ike) Frierson.

## T. J. (JEFF) WHITFIELD SEEKS REPRESENTATIVE POST

TO THE PEOPLE OF HANCOCK COUNTY

Please accept this announcement as my formal entrance in the race for State Representative of Hancock County in the coming August Democratic Primary.

I am 41 years old and a lifelong resident of this county. I am married to the former Mary Niza Lee and the father of five children.

In seeking this important position to represent you in the State Legislature I am running as an independent candidate. Therefore all of my actions, if I am elected to serve you, will be executed according to your wishes. I will strive to obtain only those things that will be a benefit to our county and to the State of Mississippi.

I promise you, that if I am elected, one of the first and foremost programs which I will stress in the House of Representatives will be that of school improvements throughout the State.

The only methods I will use to secure the passage of any beneficial projects that I feel will correspond with the will of the people, will be honest and hard work.

And that is what I plan to do. Four years ago I was defeated in the second primary by a small majority throughout the county for the same office. Again I want to thank those people who had the highest confidence in my convictions and my qualifications to cast their vote for me in that Primary. And now I am asking you again

to support me in my second attempt to fill this seat in the House of Representatives. I also want to ask those, who for some reason or other, did not vote for me the last time to consider my cause very carefully. And if you believe in my policies and my principles, then vote for me in August.

I know this job entails many responsibilities, but on the other hand I feel that I can serve you well, with the best interests of Hancock County at heart.

Thank you for your support and influence.

Sincerely yours,  
T. J. (Jeff) Whitfield.

## FRED C. GARNER ANNOUNCES FOR SHERIFF

TO THE QUALIFIED VOTERS OF HANCOCK COUNTY

This is to announce my candidacy for sheriff and tax collector of Hancock County.

I was born in Sampson, Ala., but moved to Bay St. Louis 20 years ago. I've served as a builder, painter, contractor, decorator and farmer in this community during those years.

My full platform will be announced later in this newspaper, but I wanted take this opportunity to inform all of my friends and supporters that I will enter the race.

I am and always will be an independent. I owe no loyalty to anyone, except to the people of Hancock County who elect me. I seek everyone's support on an equal basis, with the understanding that I will play no favorites if I am elected to this very responsible office.

This is the first time I have ever sought any public office. I am not a professional politician.

I served during World War II in the Army medical corps, where I reached the rank of technical sergeant. I was stationed mostly in Longview, Texas, during this time.

I am married and have no children. If elected to the office of sheriff, I will be able to give the people of this county my undivided time in both protection of life and property and in responsible handling of their tax money.

You should watch this newspaper for further articles. In them I will give my full platform so that the people will know exactly what they are getting when they elect me sheriff and tax collector of Hancock County.

I am open to suggestions from everyone. I'd be glad to talk to anyone as to how this office should be operated, and you can write to me or talk to me about this anytime.

EASTER BEAUTIES READY  
FOR HOLIDAY PARADE

If Spring decides it's here to stay, there'll be the usual lovely sights to see around the Bay come Easter morning.

A bevy of comely local ladies gave the Echo a preview of what they'll be wearing.

Miss Jerrie Martin (left) daughter of Mr. and Mrs. D. E. Martin wears a floral cotton dress. The background is white and the big blooms are brown. Her off-the-face chapeau is white, as are her gloves. She wears brown shoes with this ensemble and the Easter bunny in the background thinks the whole picture is pretty fine.

Miss Mary Alice Heitzmann (lower left) and Miss Shirley Bufkin will wear dresses they made or helped make themselves.

Shirley's dress is a full skirted cotton of beige with a green print design. Her hat is of a her shoes are brown and white matching light brown straw and sling pumps. Her handbag matches the hat. The dark-haired student at Bay High is the daughter of Mr. and Mrs. Guy Bufkin. Mrs. Bufkin and Shirley made this dress together.

Mary Alice Heitzmann, who is another Bay High homemaker student, made her Easter

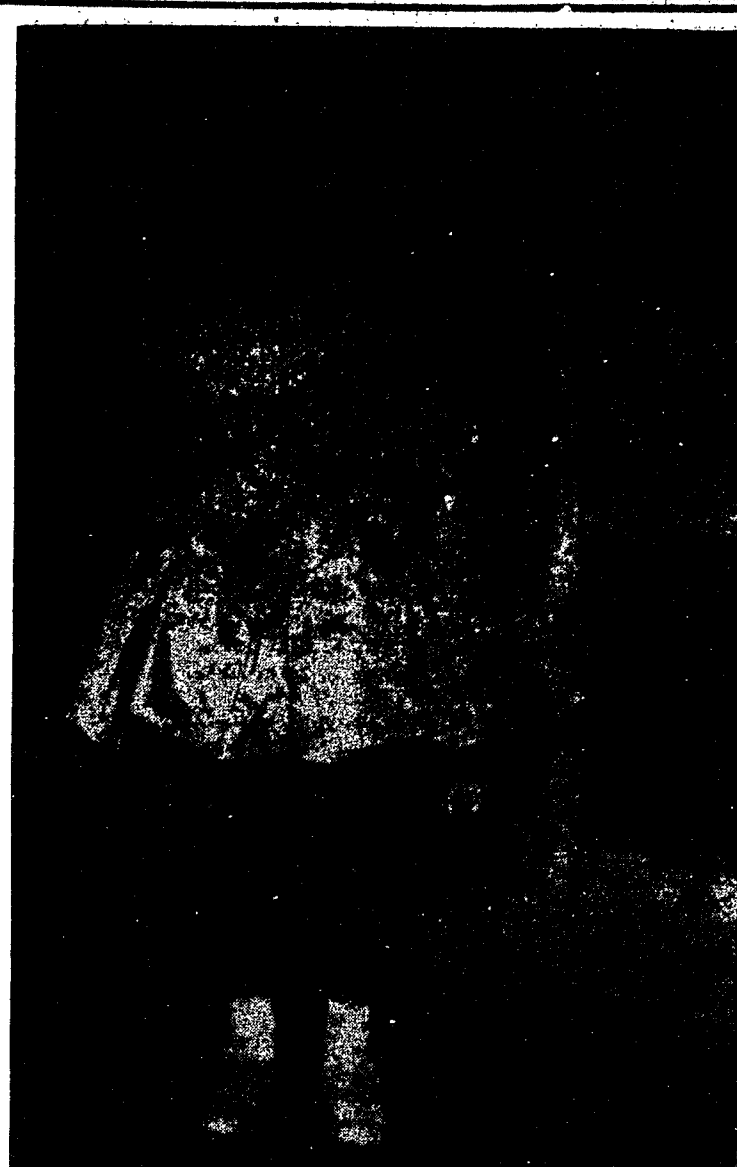

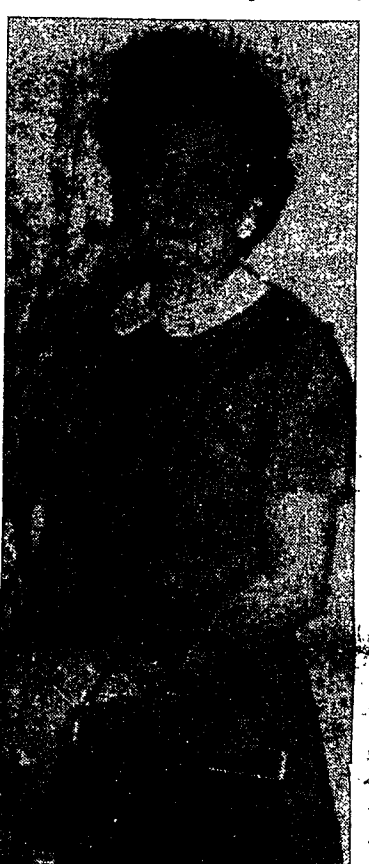

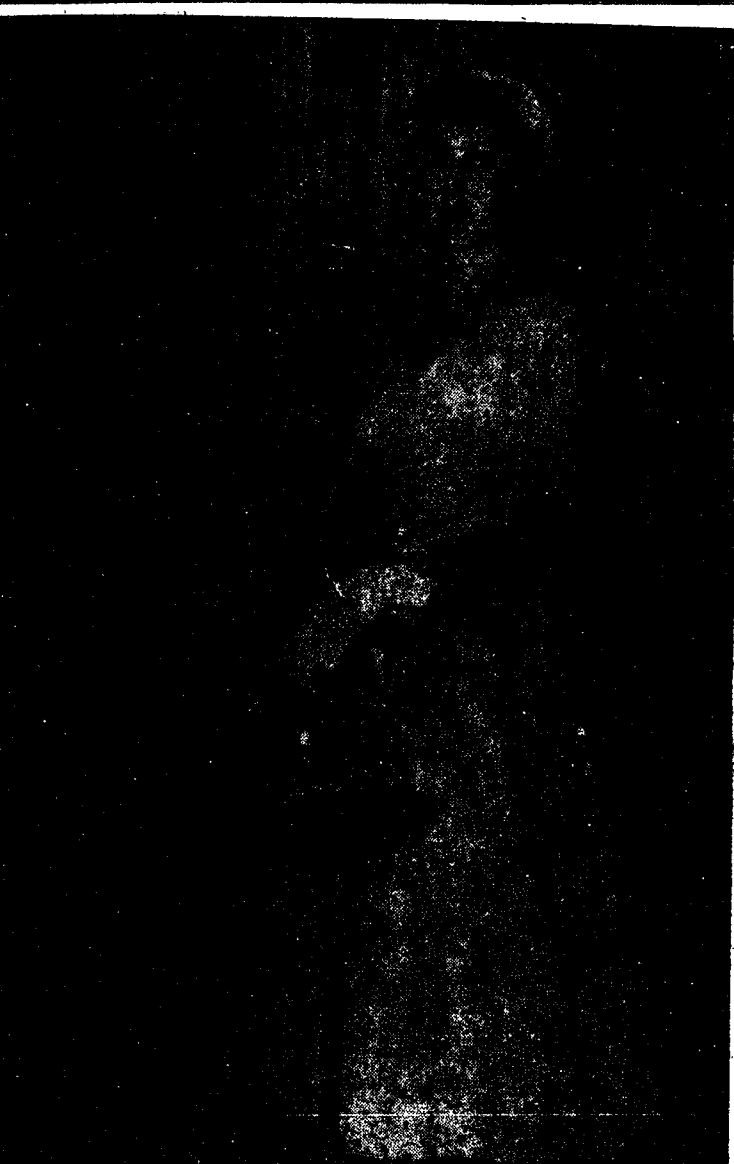

dress also. It's a two-piece, one of aqua cotton material, with a removable jacket. The print is of a black and green automobile motif. Her hat is a white pillbox decorated with fresh white daisies. She wears white gloves and white purse.

Mrs. B. L. Ramsey's Easter outfit (lower right) will be a black and white dress, accented with collar and cuffs of white. Her hat is of black straw and her shoes are of black and white patent, as is her handbag.

Mrs. J. R. Shadoin's chic attire, consists of a navy blue suit, which she wears with navy blue and white kid pumps and a navy purse.

Topping off the ensemble is a pink satin toque, close-fitting and embroidered with little pearls.

The young lady at the upper right is Susan Marie Ryan, daughter of Mr. and Mrs. James Ryan of State Street. Her Easter dress is a pink taffeta, accented with 28 yards of white lace and baby pearls. Her shoes and socks are white. The little ash blonde beauty is six years old.

## CITY ECHOES

Mr. and Mrs. Russell Chapman, who've been vacationing in New Mexico, returned this past week with their two children.

Mrs. Chapman says young Rusty, whose previous traveling had consisted of a few trips back and forth to the hospital, took the road like a seasoned veteran.

The family visited Mrs. Chapman's brother and sister in New Mexico—and on the return trip stopped in Dallas for a short stay with Mr. Chapman's sister and brother in law.

They also had time for a quick trip down into Mexico, which was a delight to them all.

Father Adrian Doherty of Washington, D. C., has arrived at Kiln to assist Father Paul with the duties there while Father McDonald is away. Father McDonald has been ill for several weeks, and is recuperating now in Gadsden, Ala.

Mrs. C. C. McDonald underwent ear surgery at the Ear, Nose and Throat Hospital in New Orleans this past week. Her family reports she's getting along nicely.

Dr. E. C. Samuel, who has been bedridden with a back ailment for much of the time since the couple's return from the Far East, is doing much better these days, his wife reports.

Since the weather took Dr. Samuel's hobby of the beautiful camellias right out of his hands this year, it was probably just as well they were traveling during the camellia season. But they're planning on a bumper crop of Cape Jasmine blossoms to make up for it.

Mrs. Betty Rose of Waveland, who has been ill recently, is also reported recuperating well these days. She's had a fine helping hand at home in the person of Mrs. George Digby and other friends who trotted over to be aides while she was hospitalized.

Mr. and Mrs. John Shubert of New Orleans announced this week the birth of a son, their third child.

Mr. Shubert is a former resident of the Bay. His wife is the former Ann Alba.

## No other low-priced car even comes close

to matching these important Chevrolet advantages . . .

If you're planning to buy a new car, the one you just can't afford to miss seeing is Chevrolet—for 19 straight years America's best-selling car. The Metropolitan Chevrolet offers you so much more than the other low-priced cars that it's hardly fair to compare them. And even the high-priced cars don't have all the advantages that today's Chevrolet offers you.

The beauty's built in—not bolted on! Chevrolet's beauty is inherent in the basic contours of metal and glass. There's no excessive bolted-on ornamentation to go out of style overnight.

The Body's by Fisher! You see Body by Fisher on lots of the high-priced cars—and only Chevrolet has it in the low-price field!

Today's most modern engines! That goes for Chevrolet's new V8 and two new sixes as well. All bring you a modern 12-volt electrical system—double the voltage of other low-priced cars. Then Chevrolet's new "Turbo-Fire V8" has the shortest piston stroke in the industry!

A drive to suit your driving! There's silky, peppery Powerglide (even

better this year!), new Overdrive (both extra-cost options), and a new Synchro-Mesh transmission that's as smooth as they come.

All the power helps you want! Windows, seat, steering, brakes—all are available with built-in "muscle" to make driving as effortless as you wish. There's optional at extra-cost—and worth it.

Come take the keys! There have never been so many reasons why you should drive a Chevrolet.

Over Ten Million Chevrolet owners—Two Million more than any other car

## Foolishness By Fools

For months the Mississippi Legislature hemmed and hawed about money for schools. They buckled under to every two-bit pressure group that came along.

But then finally it found something it could do without fear. The House passed a resolution condemning Editor Hodding Carter of Greenville, Miss., for a magazine story he wrote.

Hodding Carter is a Prize winner. He is Mississippi's foremost editor as far as national prestige is concerned. He has a long record of fighting the mob, starting back when he battled Huey Long of Louisiana. He's a man who is honest morally and intellectually.

And what did he do to make the legislators so mad? Actually nothing. Actually, as a matter of fact, they probably weren't mad at all. Actually, they probably were making another grandstand play for the more ignorant members of their constituencies.

Carter wrote a magazine article exposing the newly-formed Citizens Councils as a dangerous thing. These councils follow pretty much the old Ku Klux Klan line. The only apparent difference in that they're "nice" people—while the Klansmen presumably were not. In other words, the Citizens' Council offers you a choice.

If you're rich you can join the Citizens' Council. But if you're poor you'll have to stick with the Ku Klux Klan. Well, these legislators - many of them - apparently got the needle from the Rich Man's Klan. So they had to take a jab at Hodding Carter.

So they passed their resolution. It doesn't mean anything. It doesn't hurt anybody. It's just an advertisement of the stupidity and moral corruption of the men who would waste the people's money with foolishness like this.

These are, of course, the same men who will vote the state "dry." Then, after a hard day of voting "dry," they will go back to their hotel rooms in Jackson and put on a whiffing of a benedict. They won't buy the whiskey, either. They'll shake down some liquor dealers association for it, and guzzle it for free.

The folks back home - and, in these case, back home is north of this county - are supposed to think that good old Rep. Blowhard and Sen. Windbag are preaching the gospel to the Gulf Coast heathens.

There are some honest and intelligent men in the legislature. The trouble is that they are in the minority.

Unfortunately, when the gavel bangs in Jackson, fools walk in where angels should tread.

## NOTICE OF ELECTION

Pursuant to provisions of Chapter 253, Laws of 1938, an election will be held on the 7th day of May, 1955, between 9:00 a. m. and 2:00 p. m. to select from nominees three (3) Commissioners for the Hancock County Soil Conservation District.

Voting places: Lakeshore

School  
Kiln School  
Aaron Academy School  
Leetown School  
Sellers School

Signed by authority of an order of the State Soil Conservation Committee in its minutes of March 11, 1955.  
Charles R. Ashford  
Secretary.

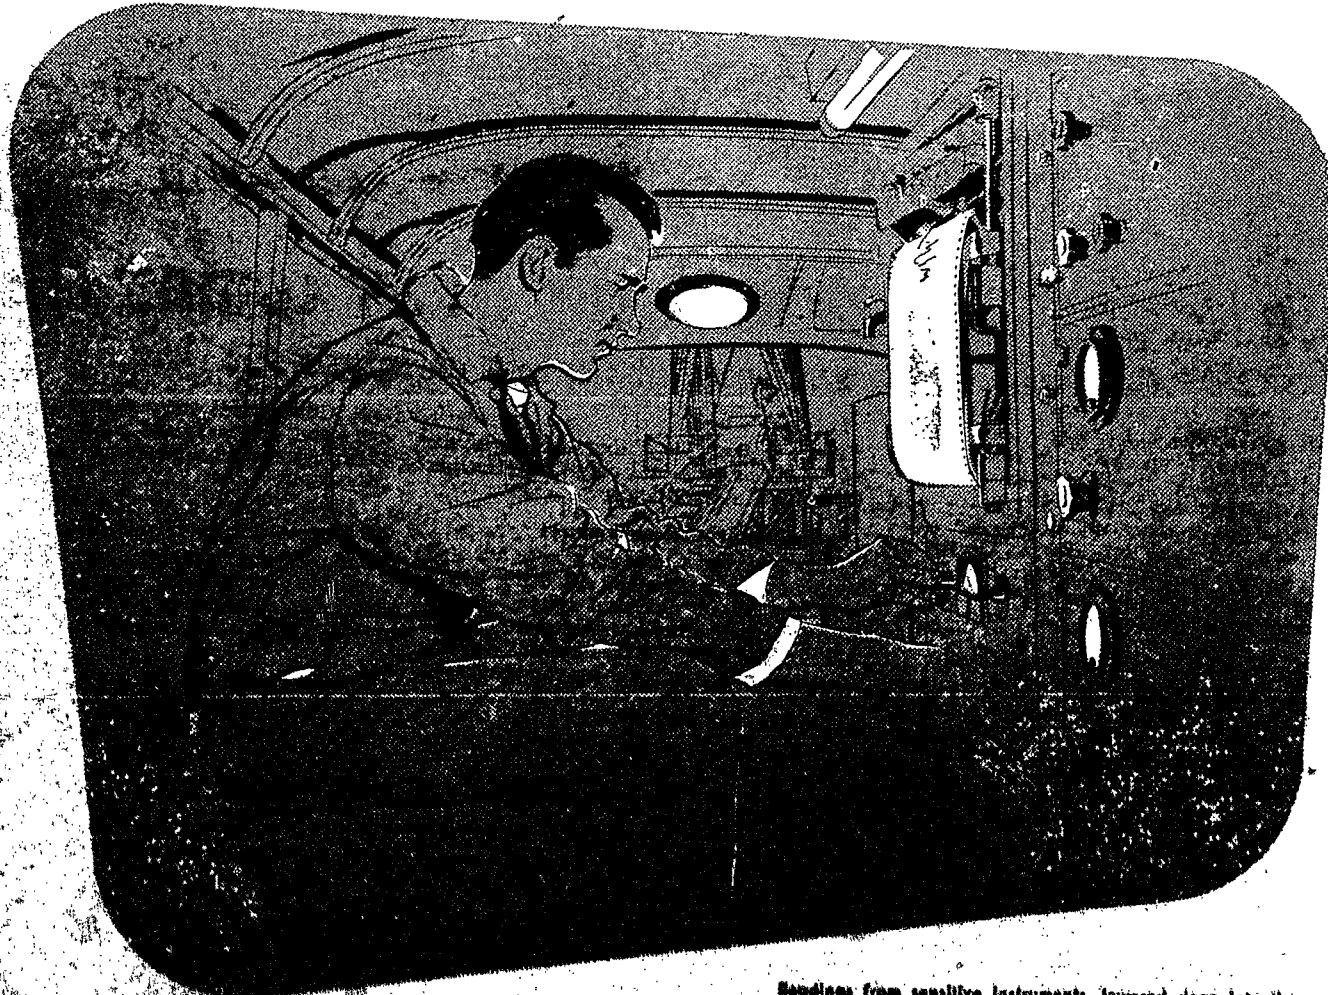

## Never put off 'til TOMORROW . . .

That's good advice . . . and the producers of natural gas have consistently put it into practice. Every year, they find more natural gas than we use. This favorable balance can be maintained only by a continuing program of exploration which requires expenditures in many cases of over a million dollars per well.

It's true that on a national average only one exploratory well out of nine brings anything but costly disappointment. Yet, producers make new locations and drill again and again, for . . .

. . . this is a search that must never end

Readings from sensitive instruments, lowered deep into the earth, furnish valuable clues to success or failure in the long, arduous search for natural gas.

## THE 100-MILLION-DOLLAR LOOK!

CHRYSLER WINDSOR DELUXE V-8 4-DOOR SEDAN

## A motorcar named TERRIFIC!

Take the word of the many thousands who have been switching to the beautiful Chrysler Windsor Deluxe V-8—

There's an excitement about this stunning new car that's contagious. You'll feel it at the wheel. Your passengers will feel it. And those who watch you flash by will feel it, too!

You'll be absolute master of eighteen feet of sleek and stunning new motorcar styling. And it's a lot more than just a new look . . . it's a thrillingly different look from anything else you'll see, no matter where you drive.

By measurement, Chrysler is inches lower than other big cars. It's longer than ever—a breathtaking sweep of tailored steel that, even at rest, suggests pure motion.

You sit behind the only windshield that "wraps around" both top AND bottom to accent the car's look of forward motion. And it's this sweepback design that makes Chrysler's Super-Scenic Windshield the safest to see out of!

The wonders never cease, especially when you start driving. In the Windsor Deluxe with its brilliant new Spitfire V-8 engine, or the 250 hp New Yorker Deluxe . . . and with Power-Flite automatic drive . . . you get a head start that's for keeps. And no other car in the world gives you Full-time Power Steering, or bigger, smoother, safer Power Brakes!

Your Chrysler Dealer wants to show you the biggest dollar-value car on the road today. Stop by soon for the greatest motoring experience ever. Ten-to-one you'll call it "Terrific!"

## LADNER ANNOUNCES RACE FOR J. P.

QUALIFIED VOTERS  
BEAT FIVE, HANCOCK

In seeking this office it will be the first time that I have ever sought any political office.

I am an Independent candidate, and in answer to a question which has been asked of me many times since my decision to enter the Justice of the Peace race, I am not opposed to any individual in particular, but am running for one of the two Justice of the Peace seats.

If elected to this office, I promise the voters of Beat Five, to cooperate fully with the law enforcement officers of our Beat and County.

I will do all in my power to combat juvenile delinquency and anything that would threaten the welfare of our community. In my connection as a sports official I have had considerable experience working with youth.

And lastly, I want you, the voters, to know that my doors will be open to you at all times and I will do all in my power to help you with your problems.

In closing I want you to know that your vote and influence will be greatly appreciated.

Sincerely yours,  
Nolan Ladner.

## Scouts Entertained At Pass Party

Older Intermediates and Girl Scouts from the Curved Bar Rank of Bay St. Louis Troop 1 were entertained on Tuesday afternoon in the home of Miss Barbara Allen on Sherman Drive, in Pass Christian.

The program opened with the ceremonial lighting of three yellow tapers, representing the three points of the Scout oath: duty toward God and Country, service to others, and obedience to Scout Laws. Miss Boh Chamberlain gave a brief history of the Girl Scout movement

in which she said: "Girl Scouts are a branch of an international movement which was founded in England as the Girl Guides in 1909. The American organization had its beginning in March 1912." The National groups are now joined together through the World Association of Girl Guides and Scouts and has more than 3,000,000 members.

Mrs. Joe Mincher, Glee-Club instructor of the Long Beach Public School, instructed the group in choral singing and they sang some seasonal music including "Easter Parade" and "Peter Cottontail."

Mr. Joe Huggins of Jackson, Miss. gave a travel talk including

colored motion pictures taken in Holland, Germany and Denmark. Mr. Huggins' talk was most entertaining as well as informative and included the legend of "The Mouse Tower on the Rhine," the "Haunts of Frankenstein" and "The Christmas Markets of Germany."

His talk gave hints on how Girl Scouts visiting in European countries might conduct themselves in order to be good-will ambassadors for America. His film included such magnificent scenery as German's Black Forest, Informal Gardens of Germany, Cathedrals River and Mountain scenery. Interesting customs were explained.

The guests gathered around the tea table where forty-three candles were lit on the traditional birthday standard while the group sang the Scouting Birthday song. Color theme of green and yellow were faithfully carried out throughout the tea service. The birthday cake designed like an immense membership card complete with trefoil motif and lettering was served by Troop Leader, Mrs. McGinnis while Mrs. C. C. McDonald, instructor in Curved Bar Rank, presided at the punch bowl. Mrs. Donald Chamberlain was presented a token gift in recognition of her untiring devotion to the movement.

Chatter around the tea-table concerned plans for a troop camp out at Live Oak in April, and a Day Camp to be conducted in June.

Approximately thirty guests attended the tea.

SEED BED PREPARATION  
Shallow breaking is detrimental to crops. Deeper breaking is necessary for best results.

All crops need plenty of water. One strong stalk of corn uses a barrel of water during its life time. There are only 3 ways a plant can get extra water:

1. By putting down long deep roots; 2. by planting crops in bottoms and nearer creeks; 3. and by supplemental irrigation.

The easiest and least expensive way to give your plant more water is to break the land deep and let the plant reach down with long roots and get extra water.

This year break your land well, pulverize it thoroughly. Do these early enough for the soil to soak up some moisture before planting time. Be ready to plant early. This is especially important with corn, and is also helpful on other row crops.

ARMY WORMS  
Watch for outbreaks of army worms in oats, wheat or other small grain. These pale, green worms, if not controlled, may strip the foliage and grain from an entire field.

Begin looking for very small worms around the base of the plants or under legumes in late

March or early April. Poison when 5 to 7 small (one half inch) worms are found per square ft. The worms are easy to kill when small.

Cut worms pose another early spring threat to young plants. This worm attacks cotton, corn, soybeans, clovers, winter peas, vetch and other legumes in pastures. It also attacks young vegetable plants. Often cut worms and army worms are found in the same field.

Both of these pests can be controlled. For specific details on how to control them, see your county agent.

The state plant board is maintaining light traps at three locations in the Delta. When they give you a warning on when to really be on the alert for grass worm outbreaks.

MILKING MACHINE CARE  
Using an extra set of rubber milking machine parts will increase the life of the machine by about one-third.

The two sets should be used for two-week intervals. When "off duty" the sets should be boiled for 15 minutes in a solution made by adding eight level teaspoons of household lye to a gallon of water.

After the rubber has cooled, it should be scrubbed in a warm detergent solution. Then store it in a cool, dry place.

RURAL HEALTH  
CONFERENCE

Mississippi Rural Health Conference will be held at Jackson, March 31 in the Woolfolk State Office Building. This meeting will deal with farm safety during the season. The afternoon portion of the meeting will be devoted to discussions of problems of handicapped children.

The meeting is open to anyone who is interested in problems of farm safety and current medical problems.

Con-Christo  
Group Formed

Announcement has been made recently of the organization of a Con-Christo Doctrine Fraternity in Waveland.

The first meeting of the group, which is being brought together by Ty Beasley, was held at the Beasley home. The spokesman for the club says its purpose is to provide instruction in the Catholic faith for students attending public schools. Non-Catholic teen-agers are also invited to attend.

Meetings are to be held every Thursday night at 412 Jeff Davis Avenue. Refreshments and dancing are included in the evening's activities.

## Solvency Essential

Even the average income taxpayer in the middle brackets sometimes wonders just why he must be so heavily taxed, and rightly asks under what authority in the Federal Constitution can the Congress of the United States tax its people to support foreign governments.

Taxpayers in the higher brackets in USA pay as much as 97 percent of their income in taxes to federal and state tax collectors, while the maximum income tax in countries like France and Italy, which we have subsidized to the tune of billions, is only 55 percent. Why should the American citizen be overtaxed to support governments that refuse to tax their own people in equal measure?

A nation that is \$607,500,000,000 in debt (public and private) is in no financial condition to keep on going deeper into the red while dishing out added billions in succor to nations unwilling to tax themselves as much as our own people are taxed.

During the past twenty-six years our nation has balanced its annual budget three times only. We pile up deficit upon deficit while we spend at home and abroad. Public and private debt has increased \$159 billion in the last five years. Any one who knows the multiplication table knows that we cannot keep going in this dangerous direction without destroying our economy and going bankrupt.
